

Coolum State High School

SCHOOL OVERVIEW

Coolum SHS is a well resourced, progressive secondary school located on the Sunshine Coast. Our focus is excellence in academic, cultural, sporting and community endeavours delivered in a supportive educational environment. We have a broad range of academic, vocational education and training programs. Students develop personal leadership skills through their involvement in a range of committees and councils, which are supported by our committed, experienced and caring staff. Coolum SHS, a great place to belong!
