SCHOOL OVERVIEW

Sunshine Beach SHS is a modern progressive High School. School directions include a focus on developing positive relationships with students and the community, pathways for students, teaching, learning and innovation. The school has a strong academic focus and has links with several Universities. Vocational areas include a focus on hospitality, tourism and the marine industry. A well developed, high speed computer network ensures students undertake an education which will prepare them for the modern challenges. With an experienced, professional and caring staff Sunshine Beach SHS is able to proudly boast a quality education in a quality setting.
