"I like my classes. They are friendly and communicative. The teachers offer a lot of encouragement and help me improve my English Skills.

I enjoy making new friends and socialising with other International students in the leafy courtyard. I usually use the computer laboratory, where I can study English and keep in touch with friends. The Recreation Centre provides me with opportunities to get involved in school events such as Surf Club Carnivals and also arranges tours."

CHRISTOPHE, FRANCE

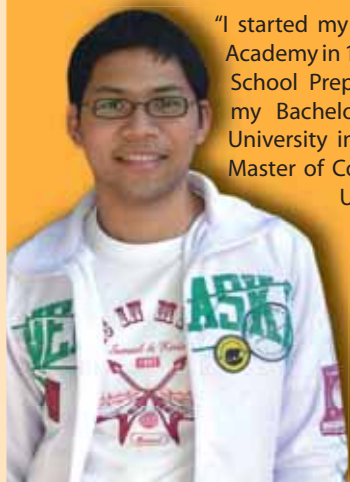

"I completed my English for Business Course at Phoenix Academy and immediately embarked upon my Internship with an Australian company. Marketforce, a leading advertising agency in Western Australia, offered an excellent insight into how Australians work and the Australian corporate environment. This is definitely one of the most valuable experiences I've had!"

ANNALISA, ITALY

"I started my education journey at Phoenix Academy in 1997, where I studied in the High School Preparation program. I completed my Bachelor of Commerce at Murdoch University in 2003 and I'm now doing my Master of Commerce (Marketing) at Curtin University. When I have finished my course I'm looking forward to returning to Indonesia to work in my family's business and help them develop their marketing strategy."

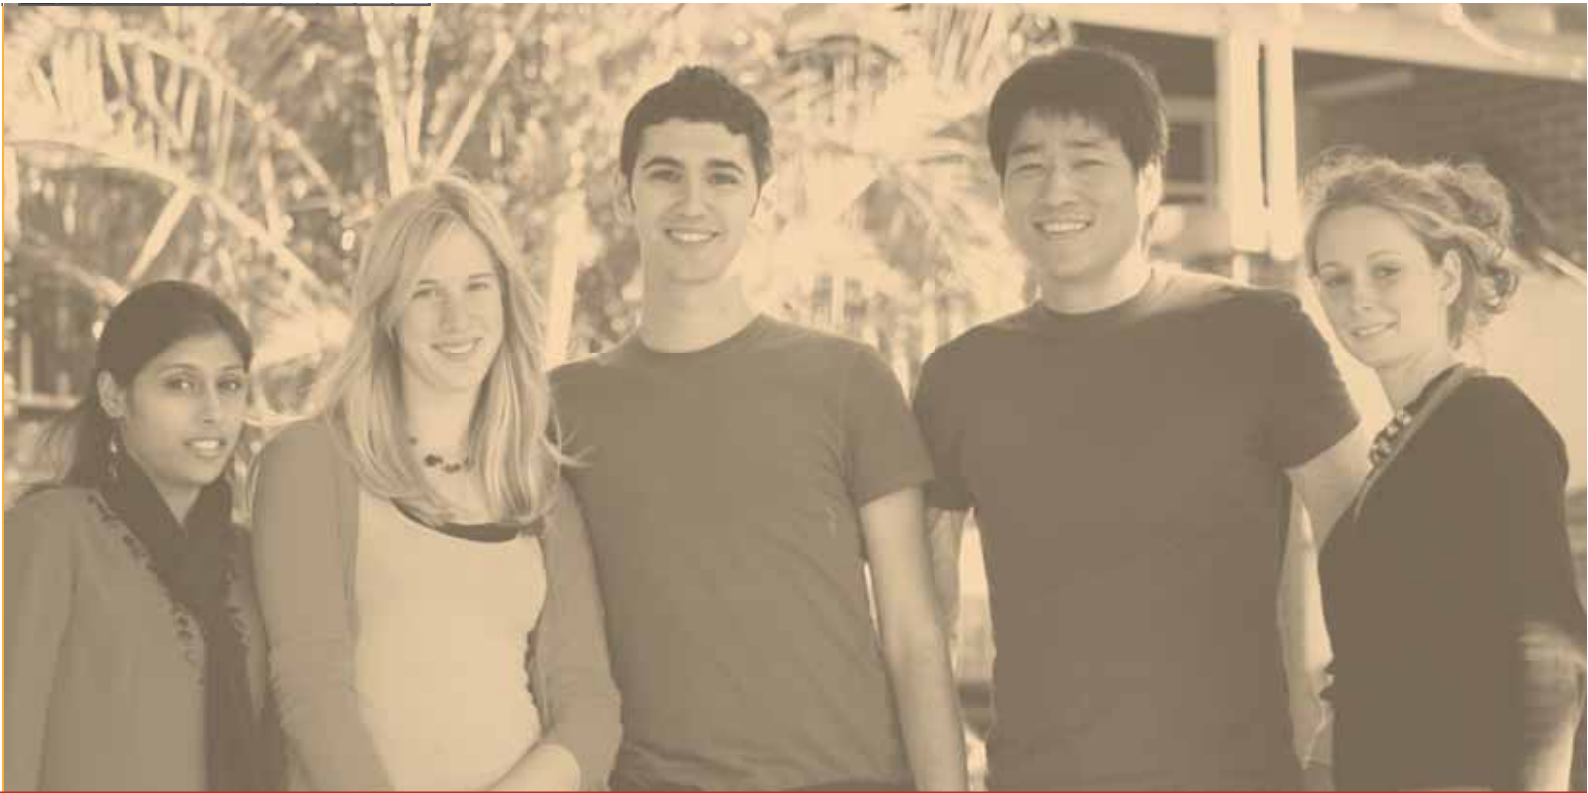

AUSTIN BUDIONO, INDONESIA

"FCE is a very challenging course. However the teachers at Phoenix made it easier by being very organized and helpful. Other than studying full time, I also work as a student worker, helping the Director of Studies as well Academic Admin Officer. My duties involved photocopying, orientation preparation and some cleaning. The extra pocket money definitely comes in handy! My homestay family is brilliant! I have learnt and experienced so much about the Australian culture by just staying with them."
