Kaplan Aspect reserves the right to reject an applicant or terminate a student's enrolment in the programme if the student's continued participation represents a risk to their health and safety or to the health and safety of other students or staff, or if, notwithstanding reasonable accommodations, in the opinion of Kaplan Aspect, the student's physical or mental condition makes the student unable or unlikely to successfully complete their programme.

In cases where cancellations are made in writing more than 7 days before the first course start date, or on written notification of a visa rejection and receipt of relevant supporting documentation, 100% of the tuition and accommodation fees will be refunded, but in all cases, the courier fee, accommodation placement fee (if utilised), enrolment fee (refundable in New Zealand) and any other service charges are non-refundable. first course has started. When determining the number of weeks completed, a partial week will be counted as a whole week, provided the student was present at least one day during the scheduled week. Used weeks of discounted tuition and accommodation packages will be charged at the full brochure weekly rate when any refund is calculated. In all cases additional service charges (eg. airport transfers, courier fees, enrolment fees, medical insurance, accommodation placement fee, administrative fee etc.) are non-refundable and written notification of termination must be given to the school Principal or Director. Students who terminate their programme may not be eligible to receive a Kaplan Aspect certificate.

Tuition: UK, Ireland, and Australia: No refunds will be made for tuition. Tuition fees are non-transferable to other students.

In the case of multiple course bookings, the total duration will be taken into consideration when calculating any refund. Subsequent to the notice period the following conditions apply:

- For all English courses between 1-19 weeks courses, refunds will be calculated, less a USD500 administrative fee, as follows for terminations made:
