International students are drawn to the sun, fun and growing opportunities of one of Australia's best known coastal cities. The Gold Coast is an hour's drive south of Queensland's capital Brisbane and has a virtually unbroken beach, 40km long. The Gold Coast offers a sophisticated blend of easy lifestyle, modern infrastructure and exciting nightlife.

Several of Queensland's major attractions can be reached from the Gold Coast and the mountainous hinterlands are within easy driving distance from the city. The climate ensures that students enjoy a year round outdoor lifestyle, with many stunning international tourist features such as Sea World, the Warner Bros Movie World theme park and the Indy Car motor racing event.

The sparkling beaches and clear ocean remain a highlight for all who visit this vibrant and welcoming city.

CQU Gold Coast – right near the ocean – is a top destination for students who love the outdoors and want a more relaxed campus setting and learning environment. The campus buildings surround a courtyard garden providing students with easy access to all the University's facilities and somewhere to unwind between classes.

CQU Gold Coast is located at Southport, the business centre of the Gold Coast, along the waterfront and 5 minutes drive from Surfers Paradise. The campus is adjacent to Australia Fair Shopping Centre and the Southport Mall. A short walk away from the Southport Bus Terminal. It is also well connected to the Gold Coast area and Brisbane.
