Embassy Student of the Year 2007

Every year we award a Student of the Year prize to an outstanding student on our Diploma of English course in England, Australia and the USA. Students make faster progress when they work hard both inside and outside class time, interacting actively with teachers and classmates, and exploiting fully

our excellent *Embassy i-Study* online resources. In addition, we also actively encourage and reward students' participation with the local native speaker community. We are proud to present our Students of the Year as outstanding examples of achievement in these areas.

Birnur from Turkey Embassy Student of the Year, England

YOUR CHOICE OF ELECTIVES

WHAT'S THE RIGHT ELECTIVE FOR YOU?

There are three types of electives available; Language Building, Exam Skills and Special Interests. Specific electives are tailored to your own level of English.

INTENSIVE COURSES AND ELECTIVES

Taking an Intensive or Semi-Intensive version of the Certificate of English course will enable you to gain real learning benefits:

Faster progress

8 extra lessons of class time per week allows for much faster progress.

Opportunity to specialize

You can spend 30% of your class time concentrating on a specific objective whether it's studying Business English, correcting difficulties with pronunciation or preparing for an exam.

Opportunity to choose

Add variety to your studies with the chance to vary your elective choices every 4-5 weeks. You can either change topic, or re-enroll in your specialized area of interest.

LOWER LEVEL STUDENTS (1-3)

Your priority when your ability in English is still quite basic is to build your language skills as quickly as possible. Therefore you will be offered elective classes that enable you to concentrate on areas you find challenging, for example speaking and pronouncing words naturally and clearly, understanding the spoken word quickly, or understanding the basics of grammar. If you are a beginner, you will be assigned to an English Basics course until you are ready to join a language elective.

INTERMEDIATE LEVEL STUDENTS (4-5)

At this level, you have mastered enough English to tackle classes that develop your skills for specific purposes. You can begin specializing in business English, start exploring the culture and society of your chosen course country, or begin preparation for a public Exam such as TOEIC, IELTS or TOEFL. There will also be higher level language skills classes covering grammar, writing and conversation.

HIGHER LEVEL STUDENTS (5+)

At these levels, you can now use your English to explore new areas in greater depth, such as researching current affairs and preparing topical debates. Also, more formal business English skills will be available such as resumè writing and preparing business presentations. Higher level examination students will now perfect their exam strategies in order to maximize their final scores.

LANGUAGE BUILDING ELECTIVES

HOW LONG HAVE YOU BEEN TEACHING CAMBRIDGE EXAM COURSES?

For about 10 years in total.

WHAT DO YOU ENJOY ABOUT THEM?

I love the sense of commitment in a group of learners with a shared goal. I like the rigour of the course, especially the fact that even speaking can be regularly assessed and the fact that the learners are so aware of their own progress. Students make such a lot of progress in this area. It's also great being with a group for 10 or 12 weeks - we get to know each other well and enjoy doing social things together.

WHAT DO YOUR STUDENTS ENJOY ABOUT THEM?

As well as all the points above, of course the most important reward for the students is the fact that progress is rapid, measurable and monitored. This generates a great sense of achievement.

HOW IS THE CONTENT DIFFERENT FROM GENERAL ENGLISH?

The course has a different structure because we are also training students in exam technique - these skills are transferable to work and further study. Each course is different according to the needs of that group of learners, so one group may find writing difficult, another reading and so on.

HOW IS THE INTENSITY OF STUDY AND PROGRESS DIFFERENT?

There are times, for example during mock exams, when the intensity of the course is great. There is also a greater homework load, two extended pieces of writing a week as well as structure exercises, exam practice questions and some specific revision. We do have ample self-study opportunities in our centre to help students do this. It IS hard work - but there is always a fun party at the end of the course!

WHAT OPPORTUNITIES DO THEY PROVIDE FOR SUCCESSFUL STUDENTS?

The qualifications, confidence and skills acquired during the course are generally recognised by employers and educators all over the world.

ANY PARTICULARLY MEMORABLE CLASSES OR STUDENTS?

I particularly remember last year's CPE (Proficiency) who supported each other with study groups outside the classroom. We had several "A's" at this highest of levels.

One, of many students I remember was a lady called Sakura who arrived at our centre with elementary English. She had to do her FCE exam twice in order to pass, but she is just about to graduate with a Masters degree from The University of East Anglia. She has achieved her lifelong ambition. Isn't that great?

IELTS INTERNATIONAL ENGLISH LANGUAGE TESTING SYSTEM

England

Where better to learn the English language than in its cultural home? England is a country of wonderful contrasts. It is a modern, progressive nation at the cutting-edge of fashion, music and the arts and yet has a proud culture and history extending back over 2000 years. England's cities bring this fusion of the old and the new alive: ancient buildings stand side by side with contemporary architecture; exciting entertainment venues exist next to fascinating museums. Being such a compact country, the whole of England is easily accessible, whichever location you choose – the cosmopolitan cool of London, the academic heritage of Oxford or Cambridge, or the seaside vitality of Brighton or Hastings.

USA

Choose from seven exciting locations in the USA. Few cities in the world can rival New York, for its rich culture, entertainment and nightlife. If you like living in historic surroundings, steeped in academia then choose Boston, one of the USA's first cities. For a sunny, outdoor beach life, Fort Lauderdale in Florida or San Diego in California are both excellent locations with year-round fantastic weather. Like an alternative culture scene? Then Los Angeles and San Francisco are both great choices, packed with endless things to see and do. And few places can match the outdoor life of Seattle with its magnificent mountain landscape nearby, perfect for hiking or skiing.

Australia & New Zealand

If you are looking for a chance to explore some of the world's most wonderful natural landscapes, then Australia and New Zealand are the destinations for you. Famous for water activities such as surfing and snorkelling, Australia can rightly hold claim to having some of the world's most impressive beaches – most famously at the Gold Coast. Still want the beachlife, but with some varied culture as well, then Brisbane, Sydney and Perth are excellent choices. Melbourne, Australia's cultural capital has a great alternative scene.

Just over the water in New Zealand is Auckland, with vast rolling hills, luscious green islands and some stunning golden beaches – all within an hour from the city.

Confirming enrolment

We will confirm your enrolment by writing to you, or your agent, and will then send all the information you need.

Paying

If you're enrolling through a local representative, please make payment to them. If enrolling directly, please pay by direct bank transfer or credit card to Embassy CES. You'll find details on the Enrolment Form.

All bookings are subject to our Terms & Conditions.

Embassy CES Terms & Conditions

Once an enrolment is accepted by Embassy CES, the following conditions become legally binding:

1 Payment of Fees

Full fees must be paid before visa documents are issued and no later than 14 days before arrival. Transfers, accommodation or tuition will not be provided unless full payment has been received.

2 Services

The company reserves the right to change details of its services, including courses, facilities and course dates, where circumstances beyond the company's control necessitate such changes or where the number of enrolments is not enough to operate a course viably.

3 Course Entry Levels

Courses require minimum levels of English for entry (see pages 16-28). If after the placement test, a student is found to be below the minimum level required to start the course, the school reserves the right to place the student in a class with fewer lessons and a different curriculum. In the UK, students may be transferred to the nearest centre running a lower level course.

4 Changes to Enrolments

The company reserves the right to charge an Administration Fee (£50; US\$80; AUD\$200; NZ\$240) each time course or accommodation details are changed after a place has been confirmed. This fee will not apply to upgraded or extended courses. Notification of change to airport transfers must be sent to our Admissions Centre at least two full working days prior to the designated arrival time. If notice is not received, an additional fee will apply.

5 Accident & Medical Insurance

Every student must have appropriate insurance. The company recommends that all students take our own StudyCare insurance which is tailored to the needs of international students. Cover under the StudyCare insurance policy does not commence until the insurance fees have been paid in full. In the USA, NZ and the UK, students not wishing to take StudyCare must present an equivalent insurance certificate on arrival. Students without insurance must take StudyCare. In the USA, StudyCare is mandatory for students taking the Internship and English Plus programmes. In Australia, is compulsory for those on a Study Visa to have Overseas Student Health Cover (OSHC) for the duration of the full program/s. This ensures you have adequate health care arrangements whilst you are studying in Australia. If you choose for Embassy CES to arrange OSHC for the first course/year only of your program, you agree and warrant to Embassy CES that you will either extend or take out OSHC for the balance of your full program/s. Students are advised to take StudyCare as additional cover. In New Zealand, travel and medical insurance is compulsory for all students. This is a requirement of the New Zealand Ministry of Education under the Code of Practice for the Pastoral Care of International Students.

a) Students without adequate insurance or insufficient evidence of insurance will have StudyCare Insurance added to their programme invoice.

b) Students may purchase international insurance from their home country as long as it covers the minimum prescribed insurance requirements as detailed in the Code of Practice. Students must submit a translated copy for verification to the Centre before arrival. Copies of the Code can be collected from the Ministry of Education website at: <http://www.minedu.govt.nz>

c) Most international students are not entitled to publicly funded health services while in New Zealand. If a student receives medical treatment during a visit, they will be liable for the full costs of that treatment. See <http://www.moh.govt.nz>

The Accident Compensation Corporation provides accident insurance for all New Zealand citizens, residents and temporary visitors to New Zealand, but a student may still be liable for all other medical and related costs. See <http://www.acc.co.nz>

6 Giving Notice of Cancellation or Termination

Notice of cancellation or termination must be made prior to arrival, in writing, to our Admissions Centre or, if after arrival, to the local Centre Director. Residential accommodation booked through Embassy CES may be subject to special cancellation charges. Information will be provided by the Admission Centre or school.

7 General Refund Policy

Embassy CES defines a full course of study as the initial enrolment period. If a student cancels his/her course or withdraws from the course after the start date, any Enrolment Fee, Accommodation Placement Fee, Airport Transfer Fee, StudyCare fee or Health Care premiums will not be refunded.

If a student's visa application is rejected after payment has been received then their full tuition and accommodation fees will be refunded within 28 days, provided a visa refusal letter is received by our Admissions Centre at least 2 days before the course is due to start. In the UK and USA refunds will be sent to the account of the original payer.

Students in San Diego, Los Angeles and San Francisco must sign a California State Enrolment & Refund Agreement form. Refunds will be processed according to these terms and conditions. In Australia, this agreement, and the availability of complaints and appeals processes, does not remove the right of the student to take action under Australia's consumer protection laws. Refunds will be provided to students within 4 weeks if the student defaults and within 2 weeks if the Provider defaults.

8 Tuition Refunds before Arrival

a) In the UK and USA students cancelling 14 days or less prior to arrival will be charged UK £190 or US \$350

b) In Australia, students will be charged the Enrolment Fee plus 30% of tuition fees if cancelling prior to the start of their course

c) In Perth only, students will be charged 10% of the semester fees or \$1000 whichever is the lesser for cancellations made more than 10 weeks before the start date, and 30% if less than 10 weeks and

60% is less than 4 weeks. If the enrolment is for 10 weeks or less and is cancelled within 4 weeks before the start date no refund will be given. (For this purpose, a semester is a maximum of 20 weeks.)

d) In New Zealand, students will be refunded tuition fees in full less the Enrolment Fee.

9 Tuition Refunds After Arrival:

USA: Written notification of withdrawal must be provided as a condition for making refunds. Refunds are calculated from the last date of attendance.

a) For courses of four weeks or less, Embassy CES will retain all tuition charges.

b) For courses longer than four weeks, students who withdraw in the first four weeks will be refunded all tuition except four weeks at the non-discounted (Certificate) rate.

c) For courses longer than four weeks, students who withdraw after the first four weeks but before the midpoint of their course, Embassy CES will retain a prorated amount of tuition at the non-discounted (Certificate) rate.

d) For students who withdraw after the midpoint, Embassy CES will retain all tuition charges.

UK and Australia (except Perth): No tuition fees will be refunded to students terminating tuition after the course starts. When a student has enrolled in multiple locations/courses, the course start date for the purpose of this clause is deemed to be the initial Embassy CES course.

Perth: In Perth only, if a student cancels a course of 10 weeks or more duration within the first 4 weeks a cancellation fee of 70% of semester fees will be charged. If a student breaches their visa conditions no refund of the semester will be refunded. All other cancellations will incur a 100% cancellation fee.

New Zealand:

a) For courses of one to 34 days duration, if you withdraw within the first two days of the course, you will receive 50% of the total fees you have paid. If you withdraw after the first two days, no refund is made.

b) For courses of 35 days to =5 duration, if you withdraw within the first five days of the course, you will receive 75% of the total fees you have paid. If you withdraw after the first five days, no refund is made.

c) For courses greater than 3 months, if written notice of termination is received within 7 days after the first day of the course for which attendance is required, a termination fee of the lesser of NZ\$500 or 10% of tuition will apply. Students terminating after this period will not receive a refund.

10 Accommodation Refunds before Arrival

a) Students cancelling their accommodation less than 7 days before arrival will be charged one week's accommodation.

b) For cancellations less than 48 hours before arrival, 4 weeks accommodation will be charged, or the full accommodation fee if the booking is less than 4 weeks in duration.

c) In Australia, the Accommodation Placement Fee will also be charged.

11 Accommodation Refunds after Arrival

a) Students leaving their accommodation must give at least 4 weeks notice in writing. In the USA, students who book discounted long term accommodation must give 8 weeks notice in writing. After deducting the price of accommodation used, including the required notice period, charged at the standard accommodation rate, accommodation fees in excess of the accommodation period will then be refunded. For Diploma courses, accommodation fees are calculated as total course fees minus tuition.

b) In Australia and NZ, a 10% cancellation fee will be deducted from the balance. In the USA, an administration charge of \$80 will be charged.

12 Visas

Students should contact their local Embassy, Consulate or High Commission to ensure they are allowed to enter and study in their chosen country.

For students wishing to study in the USA, Embassy CES is authorised under Federal Law to enrol non-immigrant students. By law, to issue the I-20 form, with the Enrolment Form we must receive; 1. The student's home address 2. Proof of sufficient funds to meet tuition and living expenses 3. A current bank statement or a letter from your bank 4. A letter guaranteeing support from your parent or employer or sponsor 5. A notarised affidavit of support No visa support documentation will be provided until all fees have been received.

13 Holidays (Public and Diploma)

Schools will be closed on public holidays. There may be an additional charge for those who remain in their accommodation during extended holidays including during Thanksgiving (USA), Christmas and New Year. Students wishing to take personal holidays and keep their Homestay room, pay a retention charge which varies by Centre. Rates are available on request. Students wishing to retain their residential accommodation will be charged standard room rates.

Dates for Diploma Courses include the following vacation periods between terms: 2008: Mar 15th-30th, Jun 14th-29th, Sept 13th-28th, Dec 13th-Jan 4th 2009 2009: Mar 21st-Apr 5th, Jun 20th-Jul 5th, Sept 19th-27th

Courses including discounted Diploma accommodation packages include accommodation during these periods.

All students (excluding those on Diploma package courses) in homestay accommodation over the Christmas and New Year two week period will be charged a seasonal supplement of GBP 50/USD 100/AUD115 per week.

14 Resolution of Disputes

In the event of a dispute between an individual student and the Centre, procedures are in place to facilitate the resolution of the dispute. Any complaint should first be made to the student's Embassy CES Centre Director. Each complaint will be fully investigated provided that it is received within one month of the

course ending and all fees have been paid. If the matter is not resolved, the student should complain in writing to the local Embassy CES Head Office (see back cover). In Australia, if the student remains dissatisfied with the outcome, they may seek independent external mediation through the Institute of Arbitrators and Mediators Australia (IAMA).

For Perth enrolments only, the Western Australian Department of Education Services also provides, free of charge, the services of an independent conciliator to assist in dispute resolution. Information and contact details are available at www.des.wa.gov.au.

15 Liability

Embassy CES and its staff and representatives will not be liable for loss, damage or injury to persons or property howsoever caused, except where liability is expressly imposed by law. Embassy CES will not be liable in the event that any service contracted to be supplied by Embassy CES becomes impossible to supply for any reason or any cause outside the control of Embassy CES.

16 Valid Prices

Prices in this brochure are valid for students starting before 31 December 2008. Thereafter, Embassy CES reserves the right to change them without notice.

17 Expulsion

Embassy CES reserves the right to expel any student whose conduct is unsatisfactory at the discretion of the Centre Director, whose decision is final. No fees will be refunded in such cases and any unpaid fees become payable immediately. Students and their parents or guardian agree to pay the tuition fees and other charges applicable for the course on the due dates. It is understood and agreed that failure to do this may result in suspension from the program and cancellation of the enrolment.

18 Promotional Activity

Students and their parents or guardians agree that the student's photo, quotes and details of achievements may be used for promotional purposes without written consent or notification.

19 Data Protection

Any information provided to Embassy CES may be held on computer and shall be used in accordance with its data protection registration and national data protection laws.

20 Further Information: Australia

If you have any concerns about any of these matters after you arrive at Embassy CES, please contact your Centre Director.
