

Craigslea State High School

SCHOOL OVERVIEW

Four key aspects which underpin our curriculum: Learning, Respect, Safety, People and Partnerships. These distinct qualities are embedded in our everyday practices, ensuring all members of our school community are active citizens in a global society. Learning at Craigslea takes place in a safe, supportive and disciplined environment. Craigslea, has taught some of Australia's most gifted students, whether it be in academic studies, where a University pathway is guaranteed: to sport, where students have represented their country at the highest level, or cultural achievements that are highly respected both locally and internationally.

Year Established 1975
