SCHOOL OVERVIEW

Harristown SHS is a coeducational secondary school with an impressive list of achievements in academic, cultural and sporting activities. The school is Internationally Accredited by CIS in conjunction with Education Queensland by the Community of International Schools Organisation. The school has unique ties with University of Southern Queensland and offers a comprehensive range of subjects in an extremely well resourced school. Facilities ensure the school is able to provide for students from the most academic to those interested in vocational subjects. A dedicated caring staff provide for students' needs.
