

Kawana Waters State College

SCHOOL OVERVIEW

Kawana Waters SC is centrally located on the Sunshine Coast, about one hour north of Brisbane. Nestled between ocean and lakes, the school is well positioned to offer a uniquely Australian education experience, with highly experienced staff offering quality education in a caring environment. The school develops life-long learners who make a positive contribution to a global society. Kawana Waters SC has been involved in the EQI program since 1997, is an accredited Education Queensland International Program School, and is currently pursuing international accreditation through the Council of International Schools.
