

Kedron State High School

SCHOOL OVERVIEW

Kedron SHS is a traditional, academic, disciplined school which provides an abundance of cultural and sporting activities in a multicultural setting. The school's strict uniform, behaviour and study policies ensure the students focus on their academic performances. The school attracts students who are hard working, respectful of others and who consistently achieve results which are well above the state's average. The motto is "to strive is to shine" and Kedron students "shine".
