SCHOOL OVERVIEW

Miami SHS's unique location on one of the world's most famous surfing beaches allows students to experience an education lifestyle that balances academic pursuits with sport and recreational activities. Miami High is a small, friendly and caring school that offers international students a safe and supportive learning environment. The school prides itself on its high quality English as a Second Language Program (ESL) with qualified support staff. The school offers an innovative curriculum with direct entry pathways to university and other tertiary providers. So whether you are a talented academic, keen sportsman or an aspiring artist, there is a learning pathway for you at Miami High.
