

# Mitchelton State High School

## SCHOOL OVERVIEW

Mitchelton SHS is situated 10km from the CBD. Our purpose is to achieve quality educational outcomes by providing a safe, supportive and challenging environment that prepares students for a global future. The school's values of participation, accountability and respect underpin our purpose. Our school motto "A Sound Mind in a Sound Body" encompasses our belief that the emotional health of the student is important and complements a strong academic program. With the vision of "Schooling a Future Generation" the school community saw the need to include global relationships and embraced the introduction of the International Student Program.
