## SCHOOL OVERVIEW

Yeronga SHS is a unique school with students originating from over 50 countries offering students a truly international experience. Yeronga SHS has a safe, disciplined and inclusive educational environment where young people can focus on achieving excellence in a range of academic, sporting and cultural pursuits. We are a traditional academic school promoting high standards of uniform and behaviour. Our school community is characterised by exploring new approaches to education and enterprising partnerships with business and industry. This is an exciting school community where all students are challenged to maximise their learning and potential to achieve their life goals.
